

I-20 Request Form for F-1 Visa

Congratulations on your admission to IWP! Now that you have been accepted, the next step is to fill out this I-20 Request Form and submit it, along with supporting documentation, so we can send you your IWP I-20.

The following information is provided by the Registrar's Office. You may contact the Registrar with questions by email at iwpregistrar@iwp.edu.

What is a Form I-20 and why do you need one?

The Form I-20 is a U.S. government form issued by designated school officials at IWP. It states that the student named on the form has been accepted for a full-time course of study at IWP and that the school has reviewed financial documents needed to prove that the student has the financial means to live and study in the US for the full duration of his/her program. (Federal Regulation 8 C.F.R § 214.3(k)(2); § 214.4(a)(1)(ix)). Getting an I-20 is a critical step in obtaining a F-1 student visa. Without an I-20, it is not possible to obtain a student visa or maintain lawful F-1 status in the U.S.

Send in your completed I-20 Request Form as soon as possible.

The Registrar's Office needs time to process your documents and issue your I-20, which you will need before making a visa appointment. To help ensure that you will be able to arrive in time for the start of your program at IWP, it is important to send in your I-20 Request Form as soon as possible. There can be long delays for visa appointments in the summer months. Check the visa appointment wait times at the embassy in your home country at this website: http://travel.state.gov/visa/temp/wait/wait_4638.html .

If you are in the U.S. as a F-1 student, do not travel outside of the US and re-enter with an I-20 from any other school.

You must attend the school that issued the Form I-20 you use to enter the US. If transferring from another U.S. school, contact the Registrar's Office before travelling, and re-enter with your newly issued IWP I-20.

In order to satisfy the regulatory that a student show proof of adequate funding, students must list the sources of funding available to them on page 5 of this form and provide bank documents that show proof of those funds. Below is information on acceptable sources of funding and types of funds as well as requirements for the bank statements/documents themselves. The funding amounts are listed on page 3.

Sources of funding

- *Personal funds:* Students can use their own funds to either partially or fully support themselves. If you use your personal funds, the bank statement must be for an account in your name.
- *Sponsorship (family or other):* It is very common for students to have one or more sponsors such as parents or close relatives. If someone other than you is sponsoring all or part of the cost of your education, you must submit bank documents, along with a letter of support confirming the sponsorship, from each sponsor. **Each sponsor must fill out a Letter of Support (page 6).**
- *Scholarships:* Awards may be used as a source of funds for the Form I-20. You must include an award letter from the private or government scholarship board stating how much money is to be given and for how many years. If you have received an IWP scholarship, be sure to note the name and amount on page 5.

Requirements for Financial Documentation

If a sponsor wishes to keep their bank balance or income private, bank documents must say that the account balance is “more than” an amount that is clearly specified.
- All funds must be deposited, currently accessible, liquid assets in a savings or checking account. Securities, stocks, proof of income such as paystubs, etc...are NOT acceptable.
