Story of Father Antoni Gerwel

Father Antoni and his Family

Letter from Father Zelaznicki

Kadzidło, dnia 22 lipca 1977 roku.

Szanowny Panie Inżynierze.

W uprzejmej odpowiedzi na pismo z dnia 15 b.m. podaję niniejszym garstkę wiadomości o Ks. Prob. Antonim Gerweli. Osobiście poznałem Ks. Prob. Gerwela w Piekutach, gdzie głosiłem kazania odpustowe. Do Piekut przyszedł Ks. Gerwel z Wigier, a z Piekut po kilku latach przeszedł do Łżych w sąsiedztwie Myszyńca i tu był także kilka lat. Na 2 lata przed ostatnią wojną otrzymał parafję Kadzidło także w sąsiedztwie Myszyńca w powiecie Ostrołęckim. Po wybuchu wojny pracował w Kadzidle, a dnia 9 kwietnia 1940 roku został aresztowany i przez Gestapo odwieziony do Działdowa razem z innymi. Po 9-tu dniach pobytu w Działdowie w transporcie 1.500 osób przewieziony do Dachau, razem ze mną. Po 6-tu tygodniach kwarantanny w Dachau i bardzo ciężkich robotach przy budowie garaży, znova 1.500 osób wybranych przewieziono w cielejących wagonach do Guzen nad Dunajem w Austrii. W drodze ze stacji kolejowej do obozu Guzen 5 kilometrów cały czas biegiem dosłownie pędzeni byliśmy przez gestapowców i tak bici, że psęko-~~5~~ trupów i 80 rannych. Ks. Gerwel pozostał w Guzen, gdzie pracował w kamieniołomach, a ja w grupie 50 osób byłam przeprowadzony do Mauthausen, macierzystego obozu Guzen.

Spotkaliśmy się ponownie dopiero 8 grudnia 1940 roku znova w Dachau, dokąd zwiezli wszystkich Książy z różnych obozów i razem ulokowali na 3-~~ch~~ blokach tylko dla Książy. Tu było różnie, nawet od 25 marca 1941 roku do połowy chyba września mieliśmy przywileje polegające na tym, że wolni byliśmy od pracy wogóle i lepsze nieco mieliśmy życie, ale po przywilejach odbili to wielokrotnie do tego stopnia, że dziennie przynoszono z pracy po 5-tu trupów Książy. Książy polscy w tym czasie budowali krematorium, łącznie z gazownią i pierwsi mieli przejechać przez tę gazownię i krematorium, taka była decyzja zarządu obozu. W tymże czasie organizowano komando inwalidów podród więźniów pod hasłem poprawy warunków życia w specjalnym obozie dla inwalidów, pozostawiania tam bez pracy i z nadzieją przedszego zwolnienia do domu.

Why the Polish Catholic Church?

“Polish Catholic church not only played a significant religious role, but most importantly a political and cultural one, in the thousand year history of our country. German occupier understood that killing priests and destroying the church, is, ultimately, the most effective way to undermine both fabric and foundations of the Polish nation”.

- **Horrors not just committed by doctors but by leaders in medical community: Nuremberg statement**
- **Friday May 25, 2012**
 - “Germany’s medical association has adopted a declaration apologizing for sadistic experiments and other actions of doctors under the Nazis.
 - In the statement adopted earlier this week in Nuremberg, the association said many doctors under the Nazis were “guilty, contrary to their mission to heal, of scores of human rights violations and we ask the forgiveness of their victims, living and deceased, and of their descendants.”
 - In addition to performing pseudo-scientific experiments on concentration camp inmates, German doctors also were key to the Nazi’s program of forced sterilization or euthanasia of the mentally ill or others deemed “unworthy of life.”
 - The medical association says “these crimes were not the actions of individual doctors but involved leading members of the medical community” and should be taken as a warning for the future” ...

Dear Ms. Gerwel:

Sara J. Bloomfield
Director

On behalf of the United States Holocaust Memorial Museum, I would like to thank you for your donation to our Permanent Collection. Many of the items we receive carry great emotional significance for the donor, and we are grateful that you have sought to safeguard this piece of Holocaust history with us. You have helped us fulfill one of our most critical priorities—*Rescuing the Evidence*. We are in a “race against time” to collect as much authentic material as possible during this remaining window of opportunity.

Enclosed you will find a copy of the completed Deed of Gift, which serves as a receipt for your donation. I have also enclosed information that mentions various planned giving methods that support the Museum’s world-wide educational efforts. I am a member of the *Legacy of Light Society* and hope you will consider joining me. With Holocaust denial and antisemitism increasing, and genocide an ongoing problem, our educational work has never been more urgently needed.

Please accept our gratitude for your generosity in helping us advance this noble endeavor.

Sincerely,

Sara J. Bloomfield
